### **EXAMINER'S AMENDMENT**

An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Claims 1 and 14-20 are cancelled.

Authorization for this Examiner's amendment was given in a telephone interview with Mr. Bolesh J. Skutnik on July 15, 2004. The previous response did not make it clear that claims 1 and 14-20 were indeed canceled since it used the word "withdrawn". This Examiner's amendment clarifies the matter.

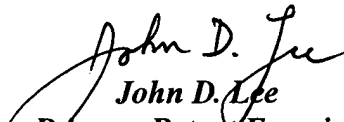

### **EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Applicant's amendment received on June 15, 2004, incorporated previously identified allowable subject matter into the only independent claim. All pending claims (i.e. claims 2-13 and 21) are therefore allowed. The reasons can be found in the previous Office action (paper number 1103, mailed December 5, 2003). Further search by the undersigned Examiner has uncovered no prior art that would negate the finding of patentability.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
